

ELMORE PARK MIDDLE SCHOOL  
6330 Althorne  
Bartlett, Tennessee 38134

Marjorie B. Lowe  
Principal

November 25, 2003

Dear Parents,

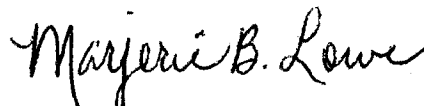

It has come to our attention that the current pick-up procedure for evening band practice needs to be changed. The cars that are currently lining up along the north side of Althorne are blocking the driveways of our neighboring homeowners and thus needs to change to the opposite direction. Therefore, to be cooperative with our neighborhood community, please adhere to the following change.

- 1) Line your cars along the south side of Althorne Road that parallels the school campus heading east. This way there will be no home driveways that are being blocked as you will be parked along the outdoor classroom side of the street. Drivers can then make a left turn into the school car rider loop entrance.
- 2) When exiting all vehicles should make a right turn **only** onto Althorne Road. (This may mean a slight detour from your regular route home.) If everyone abides by these directions, our overall pickup will be safe for the children and courteous to all of our neighbors.
- 3) Also remember if you choose to park in the school lots across from the school, you still must come to accompany your child to your vehicle. It would be unsafe for them to cross the street without you an adult at their side.

Thank you all for your support of both your children in our band program and your cooperation with school procedures such as this. If there are questions, regarding this change, please let me know.

Happy Thanksgiving to all!

Sincerely,

  
Marjorie B. Lowe
